Dear Lynn,

Values Education Quality Mark

Congratulations to you, the Leadership Team, staff, parents, governors and pupils!

Following my memorable values audit visit, I am delighted to award your school the International Values Education Trust's Quality Mark in Values Education. During my audit I saw a great assembly and lessons, appropriate values modelling by the staff, excellent relationships and pupils who had a keen grasp of the values vocabulary.

You have permission for your school to use the logo (Quality Mark for Values Education) for the next three years beginning from today's date. At the end of the three years I would ask you to reapply to me. To use the logo just click on the logo and then paste it into your own documents. I am granting your school the right to use the logo in acknowledgement of it being an outstanding Values-based school.

Please will you also have a link in your school's website to www.values-education.com, to acknowledge that your school is part of a wider movement of schools that are embracing Values-based Education.

I look forward to working with you, as the school continues to be a model for Values Education in the Oxfordshire area.

Yours sincerely,

Neil
