

## **EAL Specialist Teaching Assistant**

**Closes: 2<sup>nd</sup> June 2024**

Windmill is a place where we are creative, personal, friendly and open. We try to instill trust, inclusivity, respect and honesty amongst the whole school and wider community. We say “yes” to trying new things and know the sky's the limit for the children that come here. Staff are trusted and encouraged to take risks. Most of all, the staff are a team who support each other, welcome others and provide positive role models for all.

We are looking to recruit a dynamic person to work with and to support learners with English as an Additional Language (EAL) to enable them increased access to the curriculum. You will be working independently with the children in your own dedicated office so the ability to manage your own workload is essential.

Use your experience to establish constructive relationships with pupils and interact with them according to individual needs. Encourage pupils to interact and work co-operatively with others so they can engage in all activities. Promote independence and employ strategies to help pupils become self-reliant and fully included in all school activities.

In times of staff shortage you may be asked to assist in the classroom with general teaching assistant duties so a level of flexibility is needed.

We can offer:-

- A strong staff team and happy school
- A supportive environment in which to develop your skills
- A warm and welcoming school
- Local Government Pension Scheme and Sickness Pay
