Achievement through Creativity, Community and Challenge

Friday 4th October 2024

Dear Parents/Guardians,

We are delighted to inform you that Cycle Proficiency Training will once again be available to Year 6 students this year, thanks to the efforts of Catherine Burton. However, due to the number of participants, she will require additional support, and we are seeking parent volunteers to assist with the course.

The first session will commence on Friday, 8th November, from 1:00 p.m. to 2:30 p.m., and will run for six weeks. Each course can accommodate 8-10 students at a time. Based on the number of participants and the availability of volunteers, we aim to offer additional sessions throughout the year.

As was the case last year, if there is high demand for the course, participants will be selected by a random draw. However, children whose parents volunteer to assist with the sessions will be guaranteed a place.

Please note that all participating children must have a fully functional bicycle and helmet, which they will need to bring to each session. Should you have any questions, please feel free to contact your child's class teacher.

Please return by Wednesday 16th. We appreciate your support!

Best wishes,
Mr Donhou, Mr Davies and Miss Brown

I give permission for to attend cycle training starting on Friday 8th November. I understand that my child will need to bring their bike and helmet to each session. **Please return by Wednesday 16th.**

Signed Tick if parent available to support the course
