

Windmill Primary School Anti-Bullying Policy

Reviewed July 2024

The Windmill Way - “We All Belong Here!”

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2024 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

This policy also links closely to the school policies on:-

- Safeguarding and Child protection
- Behaviour
- Values
- PHSE
- Confidentiality
- Complaints
- School Vision
- School Code of Conduct.
- Mobile phone and Social media
- Online safety

Statement of Intent

Windmill Primary School is committed to providing a supportive, caring and safe environment in which all children are free from the fear of being bullied. As a school we take bullying and its impact seriously. Bullying of any form is not tolerated in our school, whether carried out by a child or an adult.

At Windmill Primary School we believe that every child, regardless of their age, race, religion, gender or disability should feel safe and secure in and out of school. We aim to create an environment where pupils can grow and flourish without fear. Any form of bullying behaviour will be treated very seriously and will not be tolerated.

Staff, children and parents or carers will be made aware of the school’s position on bullying. Bullying behaviour is unacceptable in any form. The school has high expectations of outstanding behaviour and we consistently challenge any behaviour that falls below this. Anyone who knows that bullying is happening is expected to tell a member of staff. Any child who is the target of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff informed, and then discussed with the deputy head or headteacher. A clear account of the incident will be recorded **on CPOMS** All staff will be informed so that close monitoring of the

young person who is the target of the bullying and the young person doing the bullying can begin. Parents of both parties will be informed.

Definition of Bullying

We recognise that many children and young people will experience conflict in their relationships with other children and young people and as a school we are committed to developing empathy and the skills to manage relationships in a peaceful way that does not harm others.

At Windmill Primary School we define bullying as:-

The repetitive, intentional hurting of one person or group, either physically or emotionally, by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online. Bullying is not having a single argument or fight with someone. It isn't saying something bad to someone once when you are angry.

Why is it important to respond to bullying?

There is considerable evidence to show that bullying has both short term and longer term impact on pupils. Bullying impacts on pupils' wellbeing, can impact on attendance and become a significant barrier to learning. Bullying is associated with lower levels of school engagement and achievement both in primary and secondary schools and can lead to mental health concerns such as anxiety and depression.

Bullying is unacceptable. Our school will respond promptly and effectively to reported incidents of bullying.

In our school community: Everybody has the right to be treated with respect. Everybody has the right to feel happy and safe. No-one deserves to be a target of bullying. Pupils who carry out bullying behaviour need to learn different ways of behaving.

National research has shown that some groups of pupils are particularly vulnerable to bullying these include pupils with SEND, looked after children, pupils from minority ethnic groups or faiths, young carers, LGBT pupils and those perceived to be LGBT.

Types of bullying behaviour

Bullying can take many forms:-

- Emotional - being unfriendly, excluding, tormenting, threatening behaviour

- Verbal - name calling, sarcasm, spreading rumours, teasing, use of derogatory or discriminatory language
- Physical - pushing, kicking, hitting, punching or any use of violence
- Online – use of social media, messaging and calls. Misuse of associated technology e.g photos and videos.

Forms of Discrimination

- Racist - racial taunts, graffiti, gestures
- Sexual - unwanted physical contact, sexually abusive comments Homophobic or biphobic - bullying because of sexuality or perceived sexuality Transphobic – because of gender identity or perceived gender identity

Aims of the Policy

- To ensure that children learn in a supportive, caring and safe environment, without fear of being bullying behaviour
- To demonstrate that the school takes bullying behaviour seriously and that it will not be tolerated.
- To take measures to prevent all forms of bullying behaviour in the school and during off-site activities.
- To support everyone in actions to identify and protect those who might be the subject of bullying behaviour..
- To clarify for all pupils and staff that bullying behaviour is wholly and always unacceptable.
- To demonstrate to all that the safety and happiness of pupils is paramount.
- To promote an environment where children feel they can trust and tell adults if they are being subjected to bullying behaviour or know about any bullying.
- To promote positive attitudes in pupils (including conflict management training).
- To ensure that all staff are aware of their duty of care to those in their charge and the need to be alert to signs of bullying behaviour..
- To ensure that all staff are aware of procedures through regular training.

Preventing Bullying

We foster a clear understanding that bullying, in any form, is unacceptable. We believe that preventing bullying is the responsibility of our whole school community and when there are incidents of bullying we will work together to deal with the situation and to learn from what has happened. In our school we do this by:

- Involving the school community in developing our policy including a child/ pupil friendly version of our policy.
- Using assemblies and circle time in class to ensure that pupils understand the differences between relational conflict and bullying.
- Building a positive ethos based on respecting and celebrating all types of difference in our school through our mantra of The Windmill Way - “We All Belong Here”.
- Creating a safe and happy environment, with consequent positive relationships that have an impact on learning and achievement.

- Having a positive ethos that all pupils, staff and parents understand.
- Work in school which develops empathy, social skills and emotional understanding e.g. PSHE, Citizenship, social and emotional learning programmes, circle time, peer mediation and playground buddies.
- Secure the safety of the target of bullying
- Take actions to stop the bullying from happening again.
- Whole school learning - reflection on what we have learnt
- Think about any safeguarding concern and report concerns to Designated Safeguarding Lead. Provide assurances to the child that concerns have been listened to and action will be taken. Consider who else is involved and what roles they have taken.
- Send a clear message that the bullying behaviour must stop.
- Work with both parties to find solutions. Identify the most effective way of preventing reoccurrence and any consequences.
- Reflect and learn from bullying episodes –consider what needs to happen next to prevent future bullying e.g. PSHE, training etc.
- Raising awareness of online bullying through regular e-safety lessons.
- Adopting a social model approach to bullying. Diversity is valued and everyone is included in our school.
- Focussed work with individuals and groups of pupils where required to support understanding and development of social skills e.g. social skills groups, ELSA (Emotional Literacy Support Assistant), Silver Seal.
- Ensuring playground and midday staff are trained and we have a range of activities at lunchtime to promote positive play.
- Offering training to all school staff around bullying, including specific guidance on those groups who are most likely to be bullied.

Reporting Bullying

At Windmill Primary School pupils are encouraged to talk to staff when they are unhappy or have concerns. Pupils in our school understand that they have a right to feel safe and a responsibility to support others to feel and be safe.

- Pupils are encouraged to report bullying to:-
 - ❖ A trusted adult
 - ❖ The class teacher / TA
 - ❖ A friend or buddy
 - ❖ A family member
- Each class has a worry box where children can report their concerns if they do not feel confident talking to an adult.
- The Home School Link Worker also has a worry box outside her room should a child want to talk to her.
- Children are taught that it is important to talk to a trusted adult if bullying is taking place outside of school.

- Parents and carers are encouraged to report any concerns to the child's class teacher, a member of the SMT or to the headteacher. Parents are not allowed to carry out their own investigations into an allegation of bullying.
- When pupils report their concerns our staff are trained to LISTEN and to BELIEVE. We involve children as far as possible in finding solutions.
- A clear and precise account of bullying incidents will be recorded by the school on CPOMs. This will include recording appropriate details regarding decisions and actions taken.

Responding to Bullying

The following steps will be taken when dealing with all incidents of bullying reported to the school (The Oxfordshire Checklist is a useful document see appendix A):

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision making, as appropriate.
- The headteacher or another member of leadership staff will interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.
- When appropriate Restorative Justice will be used to try to “repair” the relationship
- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school on CPOMs. This will include recording appropriate details regarding decisions and action taken.

School Policy on Cyber Bullying

- Only Year 6 pupils are allowed to bring a phone into school. It must be handed to the teacher on arrival who will store it safely until the end of the day.
- Staff have a duty to make sure that they are familiar with their role in dealing with cyberbullying.
- Victims should keep emails and text as evidence for tracing and possible police action.
- The school has a code of conduct for use of the internet and access is screened by a variety of blocks which are updated regularly.
- Teachers must teach safe internet use and strictly apply all school policies.

At Windmill we believe that parental support and understanding in safe use of the net is an essential component in managing cyber bullying

Children should understand that they must tell an adult if they are being bullied in these ways, that they should not delete any bullying messages or texts, but they should never respond to these.

Equal Opportunities

The school's equal opportunities policy will be adhered to all times when implementing the anti-bullying policy.

Health and Safety

A risk assessment will be carried for any case of bullying that puts the health and safety of any child or adult in the school at risk.

Guidelines for interview with all parties

- Consider using a restorative approach to respond to the incident if staff have received appropriate training. For further information about effectiveness of restorative approaches please see [Full report – the use and effectiveness of anti-bullying strategies in schools \(.pdf format, 2Mb\)](#).
- Allocate sufficient time to listen
- Take the incident seriously and reassure them
- Take steps to make sure they feel safe.(particularly target and young people who may have observed the incident)
- Offer confidentiality (with usual child protection exceptions)
- Listen to the details of what happened and record.
- Consult the target about how the incident should be dealt with as far as is appropriate. NB informed choice is an essential part of any restorative input involving the young person responsible.
- Consult the young person responsible about how they might make amends. NB Informed choice is an essential part of any restorative work.
- Inform and consult parents/carers of both parties about management of the incident including offer of appropriate support. Ensure that you label the behaviour not the child.
- Keep everyone informed of the outcomes of action and discussions

Importance of monitoring and review

- How effective was the response?
- Has the bullying stopped?
- Does the target feel safe?
- Did the behaviour of the child doing the bullying change?
- What was learnt?
- Are current systems for responding effective?
- Do additional preventative measures need to be in place?
