

## English

We will be using our knowledge of the Gunpowder plot to write a first person recount of the events that took place on that fateful night, writing through the eyes of a guard watching as events unfold.

Finally we will use our oracy skills to perform our Christmas play.

## Maths

Addition and Subtraction – increasing children’s fluency, reasoning, and confidence with addition and subtraction within 100. The focus is on understanding number relationships and efficient strategies rather than rote methods.

*Let's Celebrate!*

*Is what is right for me right for everyone?*

*When humans make decisions the impact is seen and remembered.*

## Science

We will be revising materials and looking at what material Guy Fawkes should have made his coat out of to avoid being found in the cellar!

We will be planting bulbs ready for the spring and seeing how we can tell if plants are alive or not alive.

## History - source

We will be looking at historical images and findings of Guy Fawkes. What did he do? Was his action right for everyone?

Geography- We will look at locations beyond our own and we will study the economic impact of government decisions.

## Computing

We will be learning how to use the chromebooks, log on using our own passwords and use programmes such as Microsoft word, changing the font, size and colour of our writing and learning how to create a document.

## Music

We will be learning the songs for our Christmas performance.

## PSHE- Celebrating Difference

We will look at freedom and the importance of celebrating everyone and our differences. We will look at what is seen as right and wrong and the impact of our decisions on others.

## RSHE

Anti-bullying week- we will look at the different types of bullying and our responsibilities.

## RE We will be sharing the festivals which our families celebrate such as Divali

We will be learning about special signs and symbols in Christianity and Judaism. We will look at the Nativity story which will link to our performance and we will learn about Hanukkah.

## PE

It is right to stay healthy! We will be learning about jumping and landing safely and how to do a seated balance.

## Values

2 year cycle	
Freedom	Peace
Appreciation	Love

Concept- Power, diversity

## Previous Learning Links-

In reception children looked at celebrations around the world in RE. In Year 1 children have looked at a historical figure and the impact they have. Children will extend this knowledge to look at human’s impact and decisions.

## Art/DT

**DT-** We will learn about levers and pivots and create our own moving monsters.
