

Magical Maths Online

... is now completely **FREE** (was £9.95 per month) to everyone who signs up to Magical Maths after school clubs!

This super fun 'Online Learning Zone' is designed to perfectly compliment your child's Magical Maths club...

Packed full of educational videos, quizzes, worksheets and games for your child to access from home, Magical Maths Online expands on the topics covered in our after school club sessions.

- 260 hours of high-quality maths content specific to your child's age and ability.
- Complete with full answers to help your child learn from home.
- Fun and entertaining activities to help your child practice their maths with ease.
- Completely **FREE** for every child who is booked onto our Magical Maths after school clubs!
