

Professor Poopenshtinken's **MAGICAL MATHS**

Magical Maths is here next term!

The country's most popular educational after school club!

Professor Poopenshtinken and his friends will be teaching the next generation of maths geniuses how to **read minds**, learn amazing **number tricks** and solve countless puzzles.

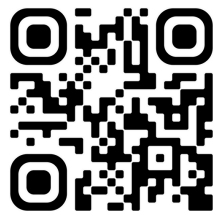

Hats and wands will be worn in fast paced **maths duels**, legs will be stretched on Mathletes week and **classrooms will even be turned into bowling alleys!**

**New for
2026!**
