

Welcome to Hedgehog class- RVR

Miss Reynolds- Class teacher (Tues-Fri)

Mrs Harris- Nursery nurse (Mon-Fri)

Mrs Iddris- Teaching assistant (Mon/Wed-Fri)

Hello, we are really forward to your child starting school in September. Just a few things to know about our class routines.....

In the morning the garden gate will be opened at 8.45am. Please come in and settle your child with reading a story until the children are called to the carpet for registration at 8.55am. Children should not be playing with the activities set up for the day. Your child can self register by picking their name apple from the tree.

We have a WOW board in the classroom, please add your child's personal achievements using a post it and we will share with the class.

Pick up arrangements- we will only dismiss children to their mum, dad or legal guardians (not siblings). If another adult is collecting, please write this in our 'collection book' and let an adult in class know. We will dismiss the children to the outside door at the end of the day.

School finishes at 3.05 and any children not picked up by 3.15 will be taken to the office.

School provides a fruit snack in the morning. Children are welcome to bring in a piece of fruit (no fruit bars or alternatives).

Please name ALL your child's belongings. Any non-named items will be sent to lost property located near the school office.

Please provide your child with a school book bag. We will be placing any letters and homework/reading books in these bags so they are vital. Large rucksacks are not

needed. Your child will also need a pair of wellies to explore our outside space.

P.E kits can be left in a drawstring bag on pegs all week.

Many thanks,

Hedgehog class staff 😊
