

Phonics & Literacy

- Learn Set 2 sounds and then relearn them to be confident in using them in reading and writing.
- Reading books independently and beginning to increase fluency of reading
- Holding and writing a simple sentence independently using non negotiables

Key Texts

- Fantastic Elastic Brain
- The Growing Story
- Jasper's Beanstalk
- Supertato
- Tadpole's Promise
- Easter Story

Term 4

Let It Grow!

Key Dates:

3rd March – World Book Day

18th March – NO SCHOOL

29th March – Chick (Eggs) arrive

8th April – Last day of term

Understanding The World

- Human Growth – How do humans change and grow?
- Plants and flowers – How can we care for living things?
- Farming – How is food produced and what happens in factories and shops?
- Lifecycles of animals – including hatching our own chicks and a butterfly garden in each class
- Easter – What is Easter and how is it celebrated?

Maths

- Explore numbers to 10 – counting in 2s, odd and even numbers, comparing groups (smaller, bigger, more, fewer), combining groups to find the whole number, estimating – making a sensible guess about how many there are of something.
- 2D & 3D shapes – naming and discussing features.

Expressive Arts & Design:

- Pop Art faces & handprints (Andy Warhol)
- Pointillism sunflowers and observational paintings (Georges Seurat)
- Create our own Super Vegetables
- Using appropriate colours for drawings and paintings
- Weekly music sessions with Mrs Dwyer & Dance club with Mrs Knapp
