Windmill is a place where we are creative, personal, friendly and open. We try to instil trust, inclusivity, respect and honesty amongst the whole school and wider community. We say “yes” to trying new things and know the sky's the limit for the children that come here. Staff are trusted and encouraged to take risks. Most of all, the staff are a team who support each other, welcome others and provide positive role models for all.

We are looking for 2 enthusiastic, caring people to help support pupils with challenging behaviour that puts them at risk of exclusion. You will be taking a lead role to address the needs of pupils who need help to overcome barriers to learning.

We are looking for experienced people who have worked with primary children with additional needs.

Ideally we are looking for someone who can work Monday – Friday but for the right person/s we can be flexible on this.
